

PRESS RELEASE

Merujuk kepada kenyataan akhbar berkenaan empat orang atlet yang tidak dapat mengambil bahagian kerana acara telah digugurkan disebabkan kurang penyertaan di Cambodia 2023 ASEAN Para Games. Melalui Mesyuarat Pengurus Pasukan Para Olahraga yang lepas (3 Jun 2023), kebanyakan negara seperti Thailand, Indonesia dan Vietnam telah membangkitkan isu yang sama kerana ramai atlet mereka tidak dapat beraksi disebabkan acara tidak disenaraikan.

Perbincangan telah dibuat dengan semua negara bersama Technical Delegate (TD) bagi mendaftarkan semula acara yang digugurkan samada melalui gabungan kelas atau mencukupkan penyertaan.

Hasil perbincangan, kesemua atlet telah dibenarkan bertanding mengikut acara yang digabungkan iaitu:

1. Mohamad Aliff Mohamad Awi (Shot Put / F20)
2. Ahmad Fizzi Rosni (100m / T36/37)
3. Badrul Hisam Musa (Shot Put / Discus Throw & Javelin Throw / T12)
4. Taufik Hidayat Nasirdin (Shot Put / Discus Throw / F34)

PRESS RELEASE

Referring to the press release about the four athletes who were unable to take part in the event at Cambodia 2023 ASEAN Para Games since there weren't enough people to make it happen. Many nations, including Thailand, Indonesia, and Vietnam, brought up the same issue during the most recent Para-Athlete Team Managers Meeting (June 3, 2023), as many of their athletes are unable to compete because the events are not mentioned.

The Technical Delegate (TD) and all participating nations have been in discussions on re-registering the dropped events through class combinations or with adequate participation.

As a result of the discussion, all athletes have been allowed to compete according to the combined events which are:

1. Mohamad Aliff Mohamad Awi (Shot Put / F20)
2. Ahmad Fizzi Rosni (100m / T36/37)
3. Badrul Hisam Musa (Shot Put / Discus Throw & Javelin Throw / T12)
4. Taufik Hidayat Nasirdin (Shot Put / Discus Throw / F34)
